

User Manual

Deposit algorithm:

1. Go to the website <https://dapp.indefieco.com/account>
2. Log in using MetaMask (<https://metamask.io>)
3. Select "Add DAI"
4. Specify the required amount
5. Confirm token unlocking (1st transaction)
6. Confirm DAI deposit (second transaction)

For our customers who deposited funds before March 27, 2021, access to the initial account is provided. It is available following the link:
<https://legacy.indefieco.com/account>

If you have any technical difficulties, please contact the support service - our specialists will be happy to help you support@indefieco.com

All the investments and transactions over \$100,000, at your request, can be accompanied by a personal manager.

You can purchase cryptocurrencies at a favorable rate with our partner - the Garantex Exchange <https://garantex.io/>

Sincerely,
InDeFiEco Team
